EDUCATION

- 2022 — Current **University of Salzburg**, Salzburg, Austria
PhD Student in Human-Computer Interaction
Supervisor: Prof. Christopher Frauenberger, University of Salzburg
Co-supervisors: Dr. Alina Itzlinger, University of Salzburg and Dr. Bernhard Maurer, Salzburg University of Applied Sciences
- 2017 — 2019 **University of Trento**, Trento, TN, Italy
MSc in Human-Computer Interaction
Supervisor: Dr. Martina Cvajner, University of Trento
- 2010 — 2015 **São Paulo State University - Unesp**, Rio Claro, SP, Brazil
BSc in Computer Science
- 2013 **Stanford University**, Stanford, CA, USA
Undergraduate Exchange Student — Summer Session
- 2012 — 2013 **University of Evansville**, Evansville, IN, USA
Undergraduate Exchange Student
- 2008 — 2009 **Federal Institute of Education, Science and Technology of São Paulo**,
Cubatão, SP, Brazil
2-Year Technical Education in Programming and Systems Development

PROFESSIONAL EXPERIENCE

- 2022 — Current **Researcher**
Department Creative Technologies, Salzburg University of Applied
Sciences, Salzburg, Austria
*PhD student at the Austrian Science Fund project doc.hci – Designing
Meaningful Human-Technology Relations.*
- Teaching**, Research Trends in HCI and HCI Lecture Series (co-taught) –
Summer Semester 2024 and 2025, Master in Human-Computer Interaction
and Multimedia Project – Winter Semester 2023 and 2024, Bachelor in
Multimedia Technology Salzburg University of Applied Sciences

2019 — 2022

Research Fellow

Human-Computer Interaction Division, Department of Artificial Intelligence and Human Interfaces, University of Salzburg, Salzburg, Austria
Material speculations about the future of self-made smart materials and development of tools to support the democratization of material Science. Research on participation and empowerment through making.

Teaching, Interaction Design (co-taught) - Winter Semester 2021, Master in Human-Computer Interaction, University of Salzburg and Salzburg University of Applied Sciences

2019

Visiting Research Student

Unstable Design Lab, ATLAS Institute, CU Boulder, Boulder, CO, USA
Supervisor: Dr. Laura Devendorf
Research on the role of digital and physical textile craft tools in fostering creative thinking.

2015 — 2016

Ruby on Rails Developer

Caïena - Desenvolvimento de Software, Rio Claro, SP, Brazil
Development of online management systems for public administration in Brazilian states.

2014 — 2015

Software Engineering Intern

Caïena - Desenvolvimento de Software, Rio Claro, SP, Brazil
Design and development of a platform for cultural events at the city of Rio de Janeiro.

2011

Software Developer

Lookahead IT Consultoria, Rio Claro, SP, Brazil
Developed CRM software to supply the demand of local businesses.

2011

Software Development Intern

LEBAC - Basin Studies Laboratory at UNESP, Rio Claro, SP, Brazil
Developed features to a platform for on-site data collection for geological research.

ACTIVITIES AND DISSEMINATION

2020 - Current

Reviewer for different conferences, e.g.,
ACM Conference on Human Factors in Computing Systems – CHI
ACM Conference on Tangible, Embedded and Embodied Interactions – TEI
ACM Conference on Designing Interactive Systems – DIS

Nathalia Campreguer França

ACM Conference on Computer-Supported Cooperative Work – CSCW

- 2021 **Student Volunteer**, ACM Conference on Tangible, Embedded and Embodied Interactions – TEI 21
- 2021 **Invited Speaker**, Subnet Air Transfer Talk - Science and Art at the Schmiede Festival, Hallein, Austria
- 2019 **Organizer**, Workshop Affordable Weaving: Spinning Your Own Paper Yarn, Antiuniversity Now, Boulder, CO, USA
- 2019 **Organizer**, Workshop Affordable Weaving: The Basics, Antiuniversity Now, Boulder, CO, USA
- 2019 **Organizer**, Workshop Weaving Climate Datascape, Unstable Design Lab, Boulder, CO, USA
- 2018 **Guest Interview** for the Italian Ministry of Foreign Affairs, Italy
<https://www.youtube.com/watch?v=drKY6wSsDPw>
- 2018 **Organizer**, Looming — Weaving Workshop, Trojan Horse Summer School, Bengtsår Island, Finland
- 2017 **Activity Facilitator**, Winter School "Education as a Common Good", Trento, TN, Italy
- 2015 **Presenter**, Course "Discovering Git", Unesp's CS Education Week, Rio Claro, Brazil
- 2014 **Team Coach**, São Paulo Rails Girls, São Paulo, Brazil
- 2014 **Presenter**, Talk "Ten Lessons from Silicon Valley", Unesp's CS Education Week, Rio Claro, Brazil
- 2013 **Organizer**, XIX ENEJUNESP – Annual Event of the Junior Enterprises of the State University of São Paulo, Rio Claro, SP, Brazil

VOLUNTEERING

- 2018 **La Foresta – Accademia di Comunità**, Rovereto, TN, Italy
La Foresta is an open collaborative community. The group led a co-design process where municipality and citizens discussed together what the association should be, from values and juridical format to physical space

Nathalia Campreguer França

and activities; Collaborated with other projects working with circular economies and exploring alternative dimensions of citizenship.

- 2016 — 2017 **LacLab – Lab for Body and Art Research**, Federal University of São Paulo, Santos, SP, Brazil
Participated in a research exploration of circus language with focus on aerial acrobatics.
- 2016 — 2017 **Circus School at Vila do Teatro**, Santos, SP, Brazil
Part of a free circus school hosted in an artistic occupation, symbol of artistic resistance in the city of Santos; Organized social events and performances in neglected areas of the city.
- 2016 **Festinalente — Art Collective**, Rio Claro, SP, Brazil
Independently organized art events at a public park for the local community and artists.
- 2010 — 2013 **Info Jr – Junior Enterprise**, São Paulo State University, Rio Claro, SP, Brazil
- *Co-organized a three-day entrepreneurship event (2013) for around 500 students at the São Paulo State University; Mentored a group of students to develop an idea for sustainable development using design thinking.*
 - *Human Resources Manager (2011 — 2012); Led the junior enterprise's HR department; Gained first-hand knowledge of management techniques and organizational behavior.*
 - *Web Developer (2010 — 2011)*

SCHOLARSHIPS

- 2019 **Bilateral Agreements**, University of Trento
Mobility funding for thesis research at the Unstable Design Lab.
- 2019 **Internship Abroad Scholarship**, University of Trento
Mobility funding for curricular internship at the Unstable Design Lab.
- 2017 — 2019 **Università a Colori**, Province of Trento
Full-tuition and scholarship at the University of Trento.
- 2017 **Master in HCI Scholarship**, University of Trento — refused
Tuition exemption and scholarship to applicants based on their admission score.
- 2012 — 2013 **Science Without Borders**, Brazilian Federal Government

Nathalia Campreguer França

Full-tuition and scholarship for studies at the University of Evansville and Stanford University.
